

## **RETRO ORGAN DRUMS UPDATE**

loops de la Crème -Dec 2021

*Thank you for downloading this update!*

installing the update will take less than a minute, and you can expect some nice surprises and lots of fun exploring these new sounds :)

You'll find velocity-sensitive presets, a new instrument based on samples from my beloved Prophet 6, some wild distorted sounds, quirky casio toy drum emulations, polyrhythmic grooves, and more...

## **HOW TO INSTALL:**

To install the update, simply copy the new instruments from the folder 'New presets' into the main library's 'INSTRUMENTS' folder.

### **IMPORTANT NOTE:**

!!! Please keep the RETRO ORGAN DRUMS folder structure intact: Do not move or erase a folder or a file from the main RETRO ORGAN DRUMS folder to ensure proper loading of the instruments.

*If you find a problem using the sample library, have questions or just want to get in touch, don't hesitate to send an email to [office@julientauban.com](mailto:office@julientauban.com)*

*Thanks a lot for reading, I wish you lots of inspiration and fun with RETRO ORGAN DRUMS!*

*Best regards,  
Julien Tauban*
